The Versatile Multifunctional Tool – Gourmet Whip

Reliability, perfection, and endless inspiration. iSi brings these important features to the best kitchens in the world every day. Professional chefs everywhere use iSi Whippers because they value what's important: ease of use, efficiency, and an extensive range of applications.

New creations always bloom from the first seed of an idea. iSi provides the perfect tool for turning your ideas into reality: the iSi Gourmet Whip. Innovative and diverse – just like the very best cuisine. The iSi Gourmet Whip is the versatile multifunctional tool for your kitchen. Perfect for preparing light, fluffy espumas, finger food, hot and cold sauces. It also creates foamed creamy soups, and whipped cream and desserts with ease. A dishwasher safe stainless steel bottle and head make it suitable for both hot and cold applications.
