Refreshing soda water with an extra fizz for pure enjoyment or for sparkling up long drinks and cocktails – with the new iSi Soda Siphon, we're ready for summer.

With a bottle of high quality stainless steel and a maximum filling volume of 1 L, we present the new iSi Soda Siphon in its modern, appealing design. The measuring tube to prevent overfilling, a pressure relief valve and an ergonomic charger holder with a non-slip silicon grip guarantee the highest comfort and safety.

Sparkling delight – easily prepared.

Limeade – quenches thirst

Fill the iSi Soda Siphon with cold water. Screw on 1 iSi soda charger and shake vigorously. For especially sparkling water, refrigerate for 1-2 hours. Cut cucumber and lemon into slices. Put all ingredients into a long drink glass. Fill up with soda water from the iSi Soda Siphon.

Campari Soda – a bar drink classic

Fill the iSi Soda Siphon with cold water. Screw on 1 iSi soda charger and shake vigorously. For especially sparkling water, refrigerate for 1-2 hours. Place ice cubes into a glass and pour the Campari on top. Fill up with soda water from the iSi Soda Siphon.

Tip: Serve with a lemon peel twist.
